

Will you still love me tomorrow?

Listen to the song and mark the correct answer.

Tonight **Today** **Now** you're mine completely

You give your **heart** **self** **love** so sweetly

Tonight the **look** **light** **sight** of love is in your eyes

But will you love me **tomorrow** **again** **more** ?

Is this a lasting **treasure** **measure** **pressure**

Or just a moment's **passion** **pleasure** **fling** ?

Can I believe the magic of your **sighs** **eyes** **lies** ?

Will you still love me tomorrow?

Tonight with **things** **signs** **words** unspoken

You say that I'm the only **one** **love** **man**

But will my **life** **dreams** **heart** be broken

When the night meets the morning **star** **dawn** **sun**?

I'd like to **believe** **know** **hear** that your love

Is love I can be **worthy** **certain** **sure** of

So tell me now, and I won't **ask** **try** **mask** again

Will you still love me tomorrow?

So tell me now, and I **won't** **will** **shall** ask again

Will you still love me tomorrow?

Will you still love me tomorrow?
