2 Read Petra's blog about her bad week. Mark the sentences Right / Wrong/ Doesn't say. Be attentive: sometimes you need to read more than just one sentence to get the right answer.

Hi, everyone! I'm online again – wonderful! Now I can tell you about my terrible week. You know my dad works for a holiday company. He loves it and we don't have to pay much for our holidays – great! Well, last month he got a better job, with more money in the same company. But there was a problem. The job was in London and we lived in Manchester! So, last week we moved. Now we're in London, in a lovely house opposite a park. It's nice because we're near the centre and the shops are fantastic!

But last week was hard. I started a new school and it's OK but I really loved my old school. I had a lot of good friends and brilliant teachers. I'm sure I'm going to make new friends soon but it's difficult when you don't know people.

Another thing – in Manchester I walked to school every day but now my school is five kilometres away and I have to get public transport. The bus is always busy and I can't sit down. Also last week we didn't have wi-fi in the house! Terrible! I couldn't chat online, check emails or post on my blog. I had to read books, watch TV or do my homework. Boring!
