THE SONG?

WHY DO YOU LIKE THE
SONG?

WHAT CAN YOU LEARN FROM
THAT SONG?

Listen to the song and interpret the "Count On Me" song based on your opinion! Write the part of the body below!

Count On Me

Song by Bruno Mars

If you ever find yourself stuck in the middle of the sea,
I'll sail the world to find you
If you ever find yourself lost in the dark and you can't see,
I'll be the light to guide you

Find out what we're made of
When we are called to help our friends in need

You can count on me like one two three
I'll be there
And I know when I need it I can count on you like four three two
You'll be there
'Cause that's what friends are supposed to do, oh yeah

Whoa, whoa Oh, oh Yeah, yeah
If you tossin' and you're turnin' and you just can't fall asleep
I'll sing a song beside you
And if you ever forget how much you really mean to me
Every day I will
Remind you
Ooh
Find out what we're made of
When we are called to help our friends in need

You can count on me like one two three
I'll be there
And I know when I need it I can count on you like four three two
You'll be there
'Cause that's what friends are supposed to do, oh yeah

Oh, oh Yeah, yeah
You'll always have my shoulder when you cry
I'll never let go never say goodbye
You know you can
Count on me like one two three
I'll be there
And I know when I need it I can count on you like four three two
And you'll be there
'Cause that's what friends are supposed to do, oh yeah

Oh, oh You can count on me 'cause I can count on you
