Oh I, I just died in your arms tonight

It must have been ..... you said

I just died in your arms tonight

I keep looking for ..... I can't get

Broken hearts lie all around me

And I don't see an easy .....to get out of this

Her diary, it ..... by the bedside table

The curtains are closed, the cats in the cradle

Who would've thought that a ..... like me could come to this

Oh I, I just died in your arms tonight

It must've been some kind of kiss

I should've ..... away

Is there any just ..... for feelin' like this?

On the surface, I'm a name on a list

I ..... to be discreet, but then blow it again

I've lost and found, it's my ..... mistake

She's loving by proxy, no give and all take

'Cause I've been thrilled to ..... one too many times

It was a ..... hot night

She made it ....., she made it feel right

But now it's over, the moment has gone

I followed my ..... not my head, I know I was wrong

Oh I, I just died in your arms tonight
