

THE HEART NEVER LIES

McFly

Some people _____

Some people _____

Some people _____

Some people _____

Some people _____

Right into the fire

Some people _____

Their every desire

But we _____ the lovers

If you _____ me

Then just _____ into
my eyes

'Cause the heart never

Some people _____

Some people _____

Others _____

They _____ at all

If you _____ to fight

I'll stand right beside
you

The day that you _____

I'll be right behind you

To _____ the pieces

If you _____ me

Just _____ into my eyes

'Cause the heart never

(Whoa 2X)

Another year over

And we're still together

It's not always easy

But I'm here forever

Yeah, we _____ the
lovers

I know you believe me

When you _____ into my
eyes

'Cause the heart never

'Cause the heart never

Because the heart
never _____
