

THE HEART NEVER LIES

McFly

Some people _____

I'll stand right beside
you

'Cause the heart never

Some people _____

The day that you _____

Because the heart
never _____

Some people _____

I'll be right behind you

Some people _____

To _____ the pieces

Some people _____

If you _____ me

Missing words

Right into the fire

Just _____ into my eyes

laugh

Some people _____

'Cause the heart never

look (3x)

Their every desire

want

But we _____ the lovers

(Whoa 2X)

lies (5x)

If you _____ me

Another year over

fall (2x)

Then just _____ into
my eyes

And we're still together

live

'Cause the heart never

It's not always easy

don't care

But I'm here forever

die

Some people _____

Another year over

fight

Some people _____

And we're still together

run

Others _____

It's not always easy

hide

They _____ at all

But I'm here forever

cry

If you _____ to fight

Yeah, we _____ the
lovers

pretend

If you _____ to fight

I know you believe me

don't believe (2x)

If you _____ to fight

When you _____ into my
eyes

are (2x)

If you _____ to fight

'Cause the heart never

pick up
