This is the way we

Wash our face,

This is the way

So early in the morning.

This is the way,

Comb our hair,

This is the way we,

So early in the morning.

This is the way we,

Brush our teeth,

This is the way we,

So early in the morning.

This is the way we,

Put on our clothes,

This is the way we,

So early in the morning.
