Task 1

Use the word given in capitals at the end of some lines to form a word that fits in the gap in the same line.

Chameleons

Chameleons make (31) pets so buying one is a decision that should be	USUAL
made very carefully. They have complex (32) requirements, and because	ENVIRONMENT
some are caught (33) you should make sure you buy one from a responsible	LEGAL
pet store. It can't be said with complete (34) how many species of this reptile	ACCURATE
there are, but it may be as many as 200. Almost all species can change colour and it is thought	
by many that they do this to look the same as their (35) However, this ability to	SURROUND
transform their (36) is actually a form of emotional communication. Most	APPEAR
chameleons show this form of (37) when they are anxiously hiding from deadly	BEHAVE
predators, such as snakes and birds, and some do this when they are angry. A chameleon's	
tongue can be twice the (38) of its body, which means it can catch its prey from	LONG
a (39) without being seen. Somewhat unbelievably, they have eyes that allow	DISTANT
them to have 360-degree (40) around their bodies. They also have special toes	VISUAL
that are similar to a human's thumbs, which allow them to climb plants and trees. These	
adaptations make them fascinating creatures to observe.
