

WW4 Unit 0.1

Hi Suzan,

I'm having a wonderful time in Los Angeles. The weather is and drier in England and Americans are friendlier than . The food is better here; it's not the same the food in England at all! From all the countries I've been to, I think English food is the pleasant. It's awful. Yesterday I had the best hamburger I've eaten!

The hotel is beautiful. I think it's not as the hotel we stayed in New York, but it's comfortable. They say that Los Angeles is one of the most expensive cities the world, but actually, I'm not spending money as I thought. I'll phone you when I get back.

Love,

Megan.
