

DESARMO Y SUMO

$$23 + 36 =$$

1 PASO- DESARMO

$20 + 3$ $30 + 6$

2 PASO- GRUPO DIECES Y UNOS

$$20 + 30 + 3 + 6$$

3 PASO- SUMO

$$50 + 9 = 59$$

$$34 + 12 =$$

$$41 + 55 =$$

$61 + 27 =$

A visual equation showing a yellow square followed by a red plus sign, then a purple square followed by a red equals sign, and finally a blue square.

$16 + 21 =$

A diagram showing the addition of two yellow squares and two purple squares. It consists of four squares in a row, separated by plus signs. The first two squares are yellow, and the last two are purple.
