Hey Fred,

How are you? My weekend ...was... (EXAMPLE) really busy! First, I went to the park (1) my brother, then (2) were invited to our cousin's party.

There was a chocolate cake (3) the party. I wasn't hungry so I didn't have any (4) my brother ate 3 pieces! There was lots of loud music and we danced all night. Oh, and I forgot (5) tell you about the magician!

(6) you like to meet up tomorrow? What about at the train station at 3.30?

See you then!
