

Wishes and regrets

Dear Mum,

I feel really unhappy! I wish I this job. If only I to you before I made the decision to come here. I wish the people here so unfriendly. I don't like it at all! If only I longer breaks.

Looking at a computer screen all day is tiring; I wish my computer ! And I wish my boss yelling at me all the time. He's always in a bad mood. It's so annoying! Also, I wish there someone here I could talk to but there is no-one I can talk to. I haven't made any friends. If only I some friends when I arrived here, but meeting new people is very difficult. I wish you nearer to me. If only I you more often!

Please write soon. I miss you!

Love,

Mary
