MONKEYS

Monkeys are **interesting** animals. They have got hair on their body and they have got a **tail**. They have a face **similar to** human face.

They are **generally** vegetarian so they like fruits and vegetables. They like bananas very much. But they can eat **insects**, too. They are **intelligent** animals. They can use **stones** and they can **peel** fruits. Scientists teach them human language and they can understand it but they can't speak it.

They are **social** animals. They have got **tribes**. They live in the **rainforest** and they sleep on the trees. They work **together** and they get their food. Sometimes, they work together and they **steal** their food from humans! They are intelligent, funny and **amazing** animals. 😊

1

Have mokeys got hair on their body?

2

Can monkeys eat meat?

3

Can monkeys peel fruits?

4

Can a monkey speak human languages?

5

Can they steal food?

IX. Speaking activity. Talk about the things that you can do it and the things that you can't do it.

Use the pictures below as an example.

Worths 10 points_____
