**G. Read the product reviews. Answer questions 1–5 with a person's name.**

<p><b>Gao</b> This bag is great. It looks expensive but it cost £35. I use it for university and the gym. It's big, light and has lots of pockets. It's good value.</p> <p><b>Mara</b> I'm very disappointed with this mobile phone. It's too small to watch films and it's difficult to use. It's not worth the money and I don't recommend it.</p> <p><b>Elki</b> These shoes are awful. When I wear them my feet hurt. They're too expensive – £75, but they look quite cheap. And they were one week late so my advice is don't buy them.</p> <p><b>Viktor</b> This is a great watch. It's comfortable, light and easy to use. I can also wear it when I'm swimming! It's definitely worth the money.</p> <p><b>Will</b> This shirt is poor value. It cost £50 but it is not worth the money. It's too big and doesn't look like the one on the website.</p>	<p>Who says it's/they're ...</p> <ol style="list-style-type: none"> <li>not comfortable? _____</li> <li>bad for watching TV? _____</li> <li>good in water? _____</li> <li>not the same as the picture? _____</li> <li>good for sports and studying? _____</li> </ol>
