My mom is a nurse. She works at a hospital and helps sick people feel better. She wears a blue uniform and comfortable shoes. Her job is important because she takes care of people who are not feeling well.

Every day, my mom wakes up early in the morning. She drinks a cup of coffee and eats breakfast. Then, she puts on her uniform and leaves for work. At the hospital, she greets her coworkers and gets ready for the day.

Sometimes, my mom works in the emergency room. She helps people who have been hurt or are very sick. Other times, she works in the clinic. There, she gives shots and checks people's blood pressure.
