Lesson 13 (36) / I'm Losing You by Aquilo

1 Watch, listen and enjoy.

2 Listen and fill in the gaps

Here we are
pictures of a war
Maybe I don't it all
here we are again
cold
Maybe there's way
Maybe words don't play another part

3 Listen and order the lines

And it's everything, it's everything
Looking back I tried my best to carry on
Starts to fade beneath the bad
But the feeling we once had
Tell me what I could have done

4 Listen, find and correct the mistakes

And I losing you

Yeah, I'm lose you

And I'm mostly at the point of giving it up, oh no

But I don't think you can to see there's no other love

5 Listen, choose the right spelling

Here / Hair I am
Staring back at what we wear / were
Just remember it was hurt / her
That / This made me
Know / Now I'm crawling
To stop of / from falling
Will I ever / evil understand?
You're what I want

6 Listen, find the misplaced words and put them in the right place

And tell me what have I could done

Looking on I tried my best to carry back

But the feeling we had once

Starts fade beneath to the bad

And it's everything, it's everything

"Losing You"

Here we are
Painting pictures of a war
Maybe I don't get it all
So here we are again
So cold
Maybe there's another way
Maybe words don't have to play another part

Tell me what I could have done
Looking back I tried my best to carry on
But the feeling we once had
Starts to fade beneath the bad
And it's everything, it's everything

And I'm losing you
Yeah, I'm losing you
And I'm almost at the point of giving it up, oh no
Yeah, I'm losing you
And I'm losing you
But I don't think you can see there's no other love

Here I am
Staring back at what we were
Just remember it was her
That made me
Now I'm crawling
To stop from falling
Will I ever understand?
You're what I want

And tell me what I could have done
Looking back I tried my best to carry on
But the feeling we once had
Starts to fade beneath the bad
And it's everything, it's everything

And I'm losing you
Yeah, I'm losing you
And I'm almost at the point of giving it up, oh no
Yeah, I'm losing you
And I'm losing you
But I don't think you can see there's no other love

Mmm
And you say
That it's hard
But you walk away again
And you say
That it's hard
You still walk away
In the end

Yeah, I'm losing you
Yeah, I'm losing you
I'm losing you, ooh

Add new words to your personal Quizlet

7 Listen and read the lyrics out loud.

8 Match the words (1-6) with their definitions (a-f).
