### SAM'S LIFE.

Sam lives in Valquirico. He is sixteen years old. He gets a Saturday job at the Mega Pizza restaurant. He likes his job and he works hard. He lives with his brother in a beautiful apartment. Sam goes to school from Monday to Friday, he leaves home at 8:15 and walks to school. His first lesson starts at 9:00am. All his lessons are one hour. After the second lesson, he has a short twenty-minute break. Then, there are two lessons before lunch. His best subjects are Science and I.T. Lunch is at 1.20. He always has lunch in the school canteen. Some students have a packed lunch – usually sandwiches – but Sam likes a hot meal. On Wednesday, he has a quick lunch because he's got Computer club.

There's always one lesson in the afternoon. It finishes at 3:10pm. Twice a week, on Wednesday and Friday. Sam plays football after school. He's in the school team so he often plays a match on Sunday morning.

Sam has an hour's homework every day. He usually does it in his bedroom after dinnertime but he sometimes gets up early and does it before breakfast! He bought a new computer and his bother bought a new cellphone. They are really happy with their new devices.
