My friend's name is Den. We live in one house but we go to different schools. Den is two years older than me. He is tall and thin. He has got short blond curly hair and small eyes. He is a clever and hard – working boy. He does well at school and likes reading and doing sums. His favourite subjects are History, Literature and Maths, but he hates Music, because he can't sing. He also dislikes Nature Study. I like to spend my time with Den because he knows a lot of funny stories. He is also fond of sports. We often play tennis, table tennis and chess together.
