

Where there's a will there's a way
Kind of
And every night has its day, so magical
And if there's love in this life
There's no obstacle that can't be defeated

For tyrant a tear for the vulnerable
In every lost soul the bones of a miracle
For every a dream
We're unstoppable
With something to in

Monday left me broken
Tuesday I through with hoping
Wednesday my empty arms were open
Thursday waiting for love
Waiting for
Thank the stars it's Friday
I'm burning like a gone wild on Saturday
Guess I won't be coming to church on Sunday
I'll be waiting for love
Waiting for love to around

We are one of a kind, irreplaceable
How did I get so blind and so cynical
If there's love in this life
We're unstoppable
No, we can't be

Monday left me broken
Tuesday I was through with hoping
my empty arms were open
Thursday waiting for love
Waiting for love
Thank the stars it's
I'm burning like a fire gone wild on Saturday
Guess I won't be coming to church on Sunday
I'll be for love
Waiting for love to come around
