

End-of-year Reading Test

Patty's Blog

I'm in a band with Jake and Mick from my class. They're in our practice room in the photo - my garage!

Jake and Mick are both really nice. Jake's twelve. He's got very short, dark hair and big brown eyes. He's tall. He's good at the guitar because he's got big hands and long fingers. Mick's eleven. He's got blond wavy hair and small brown eyes. He's short. He's good at the guitar too.

I've got a guitar but I'm the singer in our band. It's Saturday today and I've got a singing lesson. My teacher's very funny.

Bye!

I. Read the blog. Choose True or False

1. There are four children in the band. _____
