Listen to the song and fill in the blanks with the missing words.

Karma Taylor Swift

You're talkin' shit for the hell of it
..... to betrayal, but you're .....
You're ..... to look down
'Cause if you dare, you'll see the glare
Of everyone you burned just to get there
It's coming back around

And I keep my side of the street .....
You wouldn't know what I mean

'Cause karma is my boyfriend, karma is a God
Karma is the breeze in my hair on the weekend
Karma's a ..... thought
Aren't you ..... that for you it's not?
..... like honey, karma is a cat
Purring in my lap 'cause it loves me
Flexing like a Goddamn acrobat
Me and karma vibe like that

Spider-boy, king of thieves
Weave your little webs of opacity
My pennies made your crown
Trick me once, trick me twice
Don't you know that cash ain't the only price?
It's coming back around

And I keep my side of the street .....
You wouldn't know what I mean

'Cause karma is my boyfriend, karma is a God
Karma is the breeze in my hair on the weekend
Karma's a ..... thought
Aren't you ..... that for you it's not?
..... like honey, karma is a cat
Purring in my lap 'cause it loves me
Flexing like a Goddamn acrobat
Me and karma vibe like that

Ask me what I learned from all those years
Ask me what I earned from all those tears
Ask me why so many fade, but I'm still here (I'm still here)

'Cause karma is the thunder, rattling your ground
Karma's on your scent like a ..... hunter

Karma's gonna track you down
Step by step, from town to town
..... like justice, karma is a queen
Karma takes all my friends to the summit
Karma is the guy on the screen
Comin' ..... home to me

'Cause karma is my boyfriend, karma is a God
Karma is the breeze in my hair on the weekend
Karma's a ..... thought
Aren't you ..... that for you it's not?
..... like honey, karma is a cat
Purring in my lap 'cause it loves me
Flexing like a Goddamn acrobat
Me and karma vibe like that

Karma is my boyfriend, karma is a God
Karma's a ..... thought

What kind of words are the missing ones?
