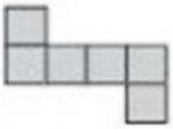
Area

Finding area by counting squares

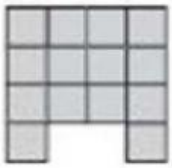
= 1 square unit

1)



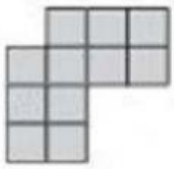
Area= square units

2)



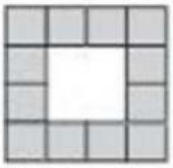
Area= square units

3)



Area= square units

4)

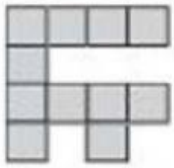


Area= square units

5)

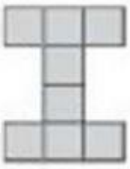
Area= square units

6)



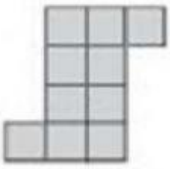
Area= square units

7)



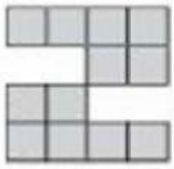
Area= square units

8)



Area= square units

9)

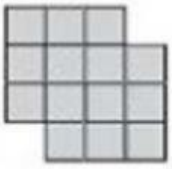


Area= square units

10)

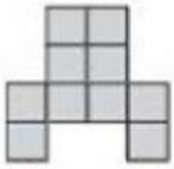
Area= square units

11)



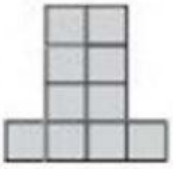
Area= square units

12)



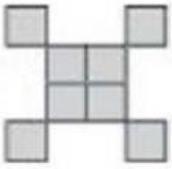
Area= square units

13)



Area= square units

14)



Area= square units

15)

Area= square units
