Liar, liar, pants on fire

Your nose is longer than a ..... wire

Ask me, baby, why I'm sad

You been out all night, know you been bad

Don't tell me ....., know it's a lie

Come kill me, honey, ... how I cry

Why must you hurt me, do what you do?

..... here, girl, can't you see I love you?

Make a little effort, try to be true

I'll be ....., not so blue

If you keep on tellin'... those lies

Still goin' out with ..... guys

There'll come a ..... I'll be gone

Take my ....., won't be long

When that day comes, won't be mad

Be .....of you, but I'll still be sad

In spite of your cheatin', still .....you so

I'll be unhappy if I .....you go
