

Interstate Love Song | Stone Temple Pilots

Use of Gerunds

Complete the song with the phrases from the box:

For the word I read between the lines
Your lies

So do you laugh or does it cry?
Reply?

Only yesterday you lied
Promises of what I seemed to be
Only watched the time go by
All of these things you said to me

With all I've said and
all that's dead for you
You lied-Goodbye.

only yesterday, you lied
Promises of what I seemed to be
Only watched the time go by
All of these things I said to you

Leaving on a southern train Feeling like a hand in rusted shame Leaving on a southern train Waiting on a Sunday afternoon Breathing is the hardest thing to do
