1 Reading comprehension basic 2

Do we need tecnology to survive?

The scientists were thinking of the way the technology is in our lives, and how this reality is affecting the daily routine. <u>Most</u> pepole had many real activities to do some years ago, before the technology had this incredible importance in our lives.

Can you imagine your life without technology to <u>develop</u> your daily activities? Of course this sight can be horrible to you. This world wanted to get the victory on every situation that every criature lives on earth, <u>however</u> this <u>wish</u> was a terrible mistake because human wants to have <u>everything</u> under control.
