Objective: Presented a few lines of a song lyric that contains figurative language, students can analyze the social function and linguistic elements of a song (3.9.3)

Instruction

Answer with the best figurative language based on the part of Coldplay's song lyric entitled "A Sky Full of Stars" below.

Answer

Cause you're a sky, 'cause you're a sky full of stars	
I'm gonna give you my heart	
Cause you light up the path	
I don't care, go on and tear me apart, I don't care if you do, ooh	
'Cause in a sky, 'cause in a sky full of stars I think I saw you	
I wanna die in your arms	
Cause you get lighter the more it gets dark	
'Cause in a sky, 'cause in a sky full of stars I think I see you	
Such a heavenly view	
You're such a heavenly view
