

## Sequencing Events: "Please Please the Bees"

Number the events from the "Please Please the Bees" in order from 1-8:

Benedict cleaned up the yard.

Benedict thought about how to fix the problem.

The bees went back to work.

The bees give Benedict 3 jars of honey everyday.

The bees stopped working.

The bees told Benedict why they aren't working.

Everyone is happy.

Benedict showed the bees the work he did.
