

OUR WEEKEND

We like to go camping in summer. At weekend we usually go to the river. My father likes fishing. My mother and I usually swim and then we all have a little picnic near the river. Sometimes we can walk in the forest and take very beautiful photos. We can see squirrels, hares and even turtles in the forests. When we return home we always clean up after ourselves!

1. Choose the correct answer according to the text:

1. What do we like to do in summer?
