

Happy Families!

Jimbo, Sasha and Cheeky are our three new babies at City Zoo!

Jimbo is very strong. His ears are big and he's got a very long nose! His food is mum's milk. He loves playing in water with his friends. People at the zoo love watching him. He's friendly and he's very cute!

Sasha is a small, white baby bird. Her mum eats insects but Sasha can't eat them. She's too small. Sasha's a baby so she can't fly and she can't run. Her parents can fly and they can run ... on water!

Cheeky is with mum and dad in the photo. He's small and cute. His face is pink but his parents' faces are black! He's a baby so he doesn't eat food. He drinks milk. Mum and dad can run fast and they can climb but Cheeky can't. He's too small.
