

STEVE JOBS' STANFORD COMMENCEMENT ADDRESS (2005)

YOU'VE GOT TO FIND WHAT YOU LOVE.

1. Steve Jobs is going to tell three stories from his life. What is **the first story** about?

2. Why did his mother decide to put him up for adoption?

3. Why wasn't he finally adopted by the lawyer and his wife?

4. Why did his mother refuse to sign the adoption papers?

5. How long had he been at Reed College before he quit?

6. Why did he drop out?

7. What did he do as soon as he dropped out?

8. How did he get by?

9. In what way did the calligraphy class come in useful for him?

10. Why is it important to believe that the dots will connect in the future?

1. What is **the third story** about?

2. What question has he asked himself every morning for the past 33 years?

3. What is the most important tool that has helped him make the big choices in life?

4. What type of cancer was he diagnosed with?

5. How long did the doctors say he should expect to live?

6. What did his doctor advise him to do?

7. Taking into consideration that our time is limited, what does he advise his college audience is the most important thing to do?

8. What was on the back cover of The Whole Earth Catalog final issue?

Mac

X A R
ANIMATION STUDIOS

1. What is **the second story** about?

2. When and where did he start Apple?

3. How much was Apple worth ten years later?

4. How many employees did it have?

5. Why was he fired from Apple? How did he feel?

6. What helped him start again?

7. What was the first computer animated feature film?

8. How did he return to Apple?

9. What is the only way to be truly satisfied?

Stay HUNGRY!

Stay FOOLISH!
