Complete the Origami instructions

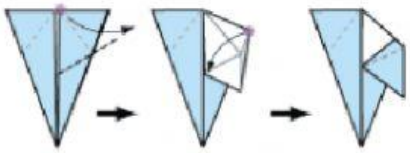

1. Start with your [____] white side up. Fold in half, as shown.

2. Fold the outside [c___] into the centre line, and crease well.

3 [f__] the top triangle backwards

4. Fold the corners of the [m___] in toward the centre, crease well, then open again.

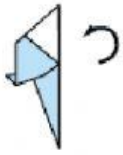

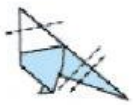

5. Bring the highlighted [p__] up and outward using the crease shown. Then bring the highlighted corner back down toward the centre line and flatten.

6. Repeat this step on the opposite [p__]... the model should now look like this

7 [f_] the outermost corners backwards on the angle shown and crease well.

8. Mountain fold the model in half. (Fold backwards)

9. Rotate the model slightly so you can see the bird forming

10. Make these creases and unfold

11. Using these creases, inside reverse fold to make the head and the tail of the bird.

Finished bird!
