CHORUS Join the lines:

So kiss me ...

My hands pressed ...

A long way ...

I have loved you ...

Long before we both ...

To be loved and ...

All I can do is say ...

Are made for ...

I wanna love like...

When we were 18

Choose the words you hear:

We took a **chance** / **dance**

God knows we **tired** / **tried**

Yet all along, I **drew** / **knew** we'd be fine

So pour me a drink, oh love

And let's split the **night** / **right** wide open

And we'll see everything we **can** / **can't**

Living love in **slow** / **snow** motion, motion, motion

CHORUS...

When we were 18

Oh, Lord, when we were 18

CHORUS...

I wanna love like you made me feel

When we were 18

I wanna love like you made me feel

When we were 18

from the playground

holding you, oh-oh

where I lay down

you made me feel

that these arms

to be in love

since we were 18

to your cheeks

thought the same thing
