### Budgeting

You have \$ 30.00 in your wallet; you need new shoes for P.E. Which ones can you afford? Remember there is sales tax.

1. Circle the item in your budget:

quick info

**\$24.99**

Men's C9 by Champion® Equalize  
Athletic - Grey/Black

quick info

**\$54.99**

Men's Dickies® Athletic Slip On  
Safety - Black

quick info

**\$44.99**

Men's Dickies® High Top Skate  
Sneaker - Black

2. Find the sales tax:

Write the item price → \$ \_\_\_\_\_

Find the sales tax, multiply → x 1.0725

Total Cost → \$ \_\_\_\_\_ = item price + sales tax

3. Find out how much change you will have left:

In your wallet	\$ _____
Total cost	— \$ _____
Change	\$ _____

4. Did you have enough money? \_\_\_\_\_
