**F** Read Marco's email to his sister Anna. Circle *True* or *False* for each statement.

Dear Anna,

How are you? It's great here in New York! I love the school.

Let me tell you about my new friends. Vicky and Alice are two sisters from Italy. Alice is a student at school from Monday to Friday, but on weekends, she works in a big café downtown. Vicky is a student too. She goes to the beach on weekends. Their apartment is full of beautiful Italian clothes and shoes!

Hiroko is Japanese. He is from Osaka and he's a student. He's my classmate. In his free time, he likes baseball. He is Alice's boyfriend. Sometimes we watch a game at the local field.

Michel is from France. He is the grandson of a famous French chef! Michel is at my school too, but he isn't in my class. He's my roommate. Our dinners are always delicious. My job is to do the dishes!

Our teacher is British but she lives in New York. She visits her family in London in the summer. She has a British driver's license, so she never drives in the USA.

Hope to see you again soon!

Best wishes,

Marco
