

# قومي بالسحب والإفلات لتصنيف التالي مع اختيارك للتعريف المناسب من القائمة

The worksheet is designed for classifying programming concepts into three categories: دوال (Functions), أوامر (Commands), and أدوات (Tools). The categories are represented by three columns, each with a cloud icon and a list of colored boxes for classification. The programming elements are listed on the left and right sides of the worksheet.

**Left Side Elements:**

- MsgBox
- Play
- Button
- IF=THEN-ELSE
- Now
- Label

**Right Side Elements:**

- Cint(x)
- TextBox
- Time
- For..Next
- Var1=10
- List

**Classification Columns:**

- دوال (Functions):** 5 boxes (Red, Brown, Green, Blue, Brown)
- أوامر (Commands):** 5 boxes (Blue, Red, Brown, Brown, Green)
