

# Natural

By Imagine Dragons

Listen to the song and complete the tasks.

1. Complete the song with the words you hear.

you  the line?  
When every one of them has  up and  in, tell me  
In this house of mine  
Nothing ever comes without a consequence or cost, tell me  
Will the stars  ?  
Will heaven  in will it save us from our sin,   ?  
'Cause this house of mine stands strong

2. Match the columns

PRE-CHORUS AND CHORUS

- That's the price you pay
- o Leave behind your heart and cast \_\_\_\_\_ o Just another product of today away
  - o Rather be the hunter than the prey o To make it in this world
  - o 'Cause you're a natural o Yeah, you're a natural
  - o You gotta be so cold o A beating heart of stone
  - o Yeah, you're a natural o And you're standing on the edge face up
  - o You gotta be so cold o Living your life cutthroat

3. Drag the words to the correct blank.

bleeds  peace  find  see  shadowing

Will somebody  youth  truth

Let me  the light within the dark trees  ?

What's happenin'?

Lookin' through the glass,  the wrong within the past knowing

Oh, we are the

Cut until it  inside a world without the , facing

A bit of the , the truth

(PRE-CHORUS AND CHORUS)

4. Choose the correct option to complete the lyric.

Deep inside me, I'm **fading** / **finding** to black, I'm fading  
Took an oath by the **bloom** / **blood** of my hand, won't break it  
I can taste it, the end is upon us, I **swear** / **sweat**  
I'm gonna **make** / **mark** it  
I'm gonna **made** / **make** it
