### Top burger spot ★★★★★

This food truck is a <sup>1</sup> \_\_\_\_\_ better than any other fast-food place, it's always fresh and tasty. I arrived after a big night out, ready <sup>2</sup> \_\_\_\_\_ a burger, and I wasn't disappointed. My first one only lasted <sup>3</sup> \_\_\_\_\_, and it was so good I went back for round two!

### Something for everyone ★★★

There are <sup>4</sup> \_\_\_\_\_ of choices at this place, so everyone in our group was happy, even my aunty, who usually complains <sup>5</sup> \_\_\_\_\_. The only downside was that the temperature inside was <sup>6</sup> \_\_\_\_\_, although staff eventually opened a window at my request.

### Overcrowded ★

We had to queue for <sup>7</sup> \_\_\_\_\_ before we even got a table. Honestly, the <sup>8</sup> \_\_\_\_\_ city was there. I almost <sup>9</sup> \_\_\_\_\_ by the time our food finally came, and it wasn't even anything special.

### Secret terrace ★★★★★

When you step out of the lift into this rooftop café filled with jungle-style palm trees and green plants, you feel <sup>10</sup> \_\_\_\_\_ you've entered another world. Seriously, the views are absolutely <sup>11</sup> \_\_\_\_\_. And I highly recommend the lemon cheesecake, it's like a piece of <sup>12</sup> \_\_\_\_\_!
