

# Harry Potter and the Order of Phoenix Listening

Watch the scene and complete the blank spaces.

You've done it, Neville. You found the Room of Requirement. The what? It's also known as the Come and Go Room. The Room of Requirement only \_\_\_\_\_ when a \_\_\_\_\_ has real need of it. And it's \_\_\_\_\_ equipped for the seeker's needs. So say you really needed the toilet... Charming, Ronald. But, yes, that is the \_\_\_\_\_ idea. It's brilliant. It's like Hogwarts \_\_\_\_\_ us to fight back. Expelliarmus. I'm hopeless. You're just flourishing your wand too much. \_\_\_\_\_ it like this. Expelliarmus. You will please copy the approved text four times... ...to ensure maximum retention. There will be no need to \_\_\_\_\_. No need to think's more like it. Expelliarmus. Wands away. Stunning is one of the most useful spells in your arsenal. It's a wizard's bread and butter, really. So come on, then, Nigel. Give it your best \_\_\_\_\_. Stupefy! Good. Not bad at all, Nigel. Well done. Don't worry. I'll go easy on you. Thanks, Ronald. Come on, Ron. Come on, Ron. You can do it. Come on, Ron. One Sickle. You're on. Stupefy. Thank you. Shut up. I let her do that. It's good manners, isn't it? It was completely \_\_\_\_\_. Up you come. Would you like a cup of tea? Now, focus on a fixed point and try again. Expelliarmus. Very good. Keep your \_\_\_\_\_. Great. A little higher. I'm okay. I'm okay. Stupefy. Stupefy. Those wishing to join the Inquisitorial Squad for extra credit... ...may sign up in the high inquisitor's office. Diminuendo. \_\_\_\_\_

\_\_\_\_\_, but there's something that matters even more:  
\_\_\_\_\_. Expelliarmus. Levicorpus. Got it. Think of it this way.  
Every great \_\_\_\_\_ in history has started out... ...as nothing more than what we  
are now: \_\_\_\_\_. If they can do it, why not us? Stupefy. Expelliarmus.  
Expelliarmus. Expelliarmus. Reducto. Expelliarmus. Expelliarmus. Expelliarmus.  
Expelliarmus. Fantastic, Neville. Well done, man. So that's it for this \_\_\_\_\_. Now,  
we're not gonna be meeting again until after the \_\_\_\_\_. So just keep  
\_\_\_\_\_ on your own as best you can. And well done, everyone. Great, great  
work. Well done, mate. Thanks.
