

NEIGHBORHOOD WATCH

Word Formation Exercise

Use the word on the right to form a word that fits the gap.

Many people nowadays are afraid of (1) _____ and they feel extremely (2) _____ if they are in their house alone. For this reason they may have many extra (3) _____ features fitted to their houses, including very (4) _____ things such as alarm systems that go off if anyone tries to break in. However, the main (5) _____ with these systems is that they can be expensive. So some people have come up with a different (6) _____ and got together with their neighbors to set up a crime (7) _____ scheme which they called "neighborhood watch". This means that they take (8) _____ for each other, and if anyone notices anything (9) _____ in their neighborhood they report it to the police. Although this type of scheme is gaining (10) _____ it is still fairly (11) _____ yet it seems to be a useful way of fighting crime and reducing pressure on the police.
