

MY LAST VACATIONS

Last year, I went to Mazatlan with my family. I visited the Malecon, and I met many people, of different contries. I swam in the sea but i didn't like, because the water is very salty. Also, I ate different dishes, such as seafood. In the nights, I danced salsa music mith my brother, and I enjoyed a lot. Finally, I shopped many souvenirs to give to my friends.

TRUE OR FALSE

She traveled with her friends

She danced salsa music

The water is very sweet

She met many people of different cities
