

1. Read and do the follow-up activities.

What we do for FUN

Aysha

My name's Aysha. I go to a drama club twice a week and I love it. We do **plays** and musical theatre. It's great because our families and friends come to our **shows** two or three times a year. We need to be **patient** because we always learn a lot of words and we have to repeat them again and again. Drama and singing is ok if you are usually a **shy** person because it's different when you're on **stage**. Mr Redgrave is our drama teacher and he's very **creative**. He always has fantastic ideas. I see my friends at drama club and we **laugh** a lot. I love it - it's never boring.

Sanjay

My name's Sanjay. My friend Namit and I go to bhangra classes. Bhangra is a dance style; it's fun and the classes are very **sociable**. You need to be friendly - we always smile when we dance - and energetic or **sporty**. Namit and I usually go once a week on Thursdays, but we sometimes have extra classes or shows at weekends. Thursday is my favourite day because Namit always comes to my house for pizza after bhangra class - we're always very **hungry** - and we sometimes play video games for an hour after our **homework**.

1. Match the words in red and the definitions

1. What you do when something is very funny _____
