PAST SIMPLE TENSE

test-english.com

Affirmative

SUBJECT + VERB

I / you / we / they + lived

he / she / it + lived

There is only one form of each verb in the past simple tense.
The exception is TO BE which has two forms: was and were.

Play / I lived in a small apartment.
He lived in a big house.
They played football yesterday.

To make a past tense verb, we normally just add -ED to the end of a regular verb.

play	played	If the regular verb already ends in -E, we just add a -D to the end.					
rain	rained						
cook	cooked						
watch	watched						
need	needed						
want	wanted	live	lived	smile	smiled	dance	danced
