My next birthday I would...

On my next birthday I would like to eat a lot of ice cream. I would like to be with my friends and my family. I would play board games and I would dance.

What would you do on your next birthday?

Vocabulary for February

Story time!

Nature can be really amazing! Did you know that a **volcano** drops lava right from the center of the earth? When this lava cools, the earth becomes extra fertile. Anything can grow in **volcano** soil!

Desert may look very hot, but at night the temperature drops below zero grades. And the organisms adapt to these dramatic changes of weather.

The **rainforest** keeps a lot of life, thousands of species, including bugs, mammals and reptiles. Mexico has a large space of **rainforest**!

There can be life even in the most hostile environments, even in the **glaciers**! Creatures like penguins, seals and ice bears live in **glaciers**.

The **ocean** itself holds millions of species. Nevertheless, the sea creatures are endangered, because the **ocean** is has the most pollution.

The world is truly amazing! We have to take care of it!
