Listening comprehension - Class meeting

**LISTENING**  **2.05** You are going to listen to part of a meeting at a school. Listen and answer the questions.

- 1 What is the meeting about? 1 \_\_\_\_\_
- 2 How many ideas do they write down? \_\_\_\_\_  
\_\_\_\_\_

 **Listen again. Are these sentences true (T) or false (F)?**

- 1 The teacher has given the students time to think of ideas. T/F
- 2 The first student, William, wants to separate paper into different boxes. T/F
- 3 William wants only one person in the class to take paper for recycling. T/F
- 4 The school has already told students to switch lights off. T/F
- 5 Isabelle's idea is to help people remember to switch the lights off. T/F
- 6 The last idea, from Jack, is to save water in the school canteen. T/F

**What about you?**

1. Do you do any of these things in your school?

\_\_\_\_\_

2. How 'green' do you think your school is? Why

\_\_\_\_\_
