

Harry Potter

Choose the correct option:

When Harry was very young, he with his uncle, his aunt and his cousin. They him very much and he happy in that house.

One day, when he out of the window, he an owl that a letter in its beak. The letter from Hogwarts School of Wizardry and Witchcraft. But Harry's uncle him to become a wizard, so he him the letter.

But many other owls and letters for Harry, so his uncle to go to a lonely island with his family. That night on the island, while they Harry's eleventh birthday, Rubeus Hagrid and rescued him.

Then Harry and Hagrid an owl, a wand and his uniform.

The following day, while Harry on the train to Hogwarts, he his new friends Ron and Hermione.

Once they were at school, the Sorting Hat a house for each new student. Harry, Ron and Hermione to Gryffindor House. They very happy to be together!
