

Drag the words on the left to match the correct item on the right.

Part I

like terms

“The answer”

simplify

$$2p + 5s - 3p = 108$$

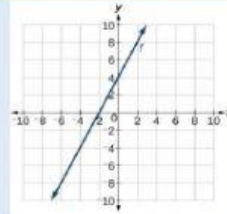

linear graph

$$3(2x + y) = 9$$

$$2x + y = 3$$

solution

Part II

expression

$$3(2x + y) = 9$$

variables

$$2x + y = 9$$

equation

$$3(2x + y) = 9$$

terms

$$3(2x + y) = 9$$

brackets

$$3(2x + y) = 9$$
