Last night a little ....., she came dancing to my door

Last night, that little ....., she came pumping on my floor

She said, "Come on, baby, you got a ..... for love

And if it expires, I pray ..... from above"

Because in the..... hour she cried more, more, more,

With a rebel yell she cried more, more, more

She don't like slavery, she won't ..... and beg

But when I'm tired and ....., yeah, she gives me head

I said, "What set you ..... and brought you to me, babe?"

"What set you .....? I need you ..... by me"

he..... in his own heaven

he collects it to go at the 7-11

Yes, he's out all ..... to collect a fare

Just so long, just so long as it don't mess up his hair

I walked the ward for you, babe

A ..... miles with you

I dried you tears of pain, babe?

A..... times for you, for you

I'd ..... my soul for you, babe

All money..... for you, for you

I'd give you all, and have none, babe

Justa, justa have you ..... by me
