I ..... you comb your hair, and gimme that grin

It's making me spin now, spinning within

Before I melt like ....., I say hello

How do you do?

I ..... the way you undress now, baby begin

Do your caress, ..., my heart's in a mess

I ..... your blue eyed voice, like Tiny Tim shines thru

How do you do?

Well, here we are crackin' jokes in the corner of our.....

And I feel like I'm laughing in a .....

If I was young I could wait outside your .....

'Cause your face is like the cover of a.....

How do you do (do you do) the things that you do?

No one I ..... could ever keep up with you

How do you do?

Did it ever ..... sense to you to say bye? (Bye bye)

I see you in that ..... with perfect skin

Well, how have you been, baby, livin' in sin?

Hey, I gotta ....., did you say hello?

How do you do?

Well, here we are spending ..... in the louder part of town

And it feels like everything's surreal

When I get ..... I will wait outside your house

'Cause your ..... have got the power meant to heal
