Just a steel town girl on a .....night

Lookin' for the fight of her .....

In the real-time world no one sees her at all

They all say she's .....

Locking rhythms to the beat of her heart

Changing movement into .....

She has danced into the danger .....

When the dancer ..... the dance

It can cut you like a ....., if the gift becomes the fire

On a wire ..... will and what will be

She's a maniac, maniac on the .....

And she's dancing .....she's never danced before

On the ice-blue line of insanity is a ..... most never see

It's a hard-won place of ..... touch it, but can't hold it

You .....all your life for that

Moment in time, it could come or pass you by

It's a push-shove ....., but there's always a chance

If the hunger stays the night

There's a cold kinetic heat, struggling, ... for the beat

Never stopping with her ..... against the wind

She's a maniac, maniac, I ..... know
