READING: Grammar practice

BuCky WAlked Home!

Mark Wessels lives **(1)**___the state of South Carolina and has a dog called Bucky. **(2)**_____January 2012, Mark gave Bucky **(3)**_____his father who lives in the state of Virginia, almost 500 miles away. Mark was sad when he said good-bye to his three-year-old dog, but there was nothing he could do. The new apartment building that he moved to did not allow dogs to live there. However, not long after Bucky moved to Virginia, he disappeared. Mark's father searched everywhere **(4)**_____him, but he could not find the dog. Where was Bucky? Bucky was back **(5)**_____South Carolina! When Brett Gallagher found him six months later, he was very thin, but he was okay, even **(6)**_a journey of almost 500 miles. Mr. Gallagher brought the dog **(7)**_____ an animal hospital where a nurse found a small computer chip **(8)**_____the dog's ear. The chip had Mark Wessel's phone number, and soon the two were back together again. Mark was very happy to see his dog again. He said, "I thought I was going to cry." No one is really sure how Bucky found his way back **(9)**_____ South Carolina. Mark, who now lives **(10)**_____ Bucky, says his dog is "just really smart".
